SPECIAL EVENT PERMIT INSPECTION REQUIREMENTS

- Third Party Structural Inspection for the erection of tents, stages, grandstands, bleachers and anchor devices for structures (see "Attachment #6" at the end of this document).
- Third Party Electrical Inspection for generator installation and all wiring devices, fire alarm(s) and mass notification(s) (see Third Party County Approved Electrical Inspection Agencies online at <http://dpiemypgc.us> → Inspections → Third-Party Commercial → Third Party Inspection Program (TIPI) Approved Electrical Inspectors, plus see Attachment #6 at the end of this document).
- Third Party Fire Protection Inspection for events attracting more than 300 persons: egress, exit signage, flame and smoke development membrane ratings, lighting, stair components, extinguishing requirements, all general fire protection, fire alarm and mass notification (testing and operation). (You may pickup a copy of the Third Party County Approved Fire Protection Inspection Agencies from DPIE's Inspection Division or online at <http://dpiemypgc.us> → Inspections → Third-Party Commercial → Third Party Inspection Program (TIPI) Fire Consultants, plus see Attachment #6 at the end of this document).
- Prince George's County Fire Marshall inspection and approval (301.583.1830) for existing fire protection facility maintenance and compliance:
 - Water supply
 - Fire hydrants
 - Fire lanes
 - Pyrotechnics
 - Temporary fire suppression measures
- Prince George's County Health Department (301.883.7690) approval (if necessary for food service)
- Final Inspection and temporary Use and Occupancy Approval — Upon completion of the above referenced inspections and approvals, please call DPIE's Enforcement Division for final inspection and temporary Use and Occupancy approval.

Note: Prince George's County Enforcement Division will inspect for compliance only if all work is completed **PRIOR to 2:00 p.m. on normal workdays; no after-hours inspections will be considered.** If this is a weekend only event, you need to contact a Third Party County Approved Inspector. If your requirements differ from this, you must make prearrangements with the following inspector:

Bill Edelen	wkedelen@co.pg.md.us	240.832.9560
-------------	----------------------	--------------

or with the following permitting contacts:

Karen Spears	khspears@co.pg.md.us	301.883.5941
Behdad Kashanian (Technical Inquiries)	bakashanian@co.pg.md.us	240.508.9670

- For instructions on how to register and obtain access to the DPIE Online Electrical Process, please go to DPIE's Website (<http://dpiemypgc.us> → Permits → Online Permit Services → Online Electrical Permits). For those already registered, go to the Online Electrical Permit Application link at <http://dpiepermits.princegeorgescountymd.gov/>.
- To pay online, go directly to the link at <https://dpiestatus.princegeorgescountymd.gov/site/public/epayments/casestatus.aspx>.

SECTION C — APPEAL

If your request for a Special Event Permit has been denied and you wish to file an appeal, this entire package must be submitted for review.

To file an appeal, the front portion of this form must be completed in full. Any information that the applicant has set forth that is false or misleading will result in the rejection of the appeal. A condition for the approval of this permit is that the proposed construction will comply, at all times, with the plans as approved by all applicable government agencies.

ATTACHMENT #6

PRINCE GEORGE'S COUNTY
THIRD-PARTY INSPECTION PROGRAM
CERTIFICATION FORM

Date _____

- To: Building Code Official
 Fire Code Official
 Electrical Code Official for Inspection

From: _____

Address: _____

Building Case Number: _____

This transmittal is to advise and certify that the following actions are in accordance with the provisions contained within the Prince George's County Department of Permitting, Inspections and Enforcement, Permitting and Licensing Division (PLD), Third-Party Inspection Program (TPIP) and associated Third-Party Inspection Agreement for the above referenced project, as follows:

By the Structural Inspector of Record and/or Architect of Record

- Structural/Architectural Certification that the construction project is built according to approved plans and documents as required by the Prince George's County Building Code
- All structural shop drawings were reviewed and found compliant with the design intent and approved by the County
- Building and Site Accessibility Certification that the construction project is in compliance with the Maryland Accessibility Code and accessibility requirements of the Prince George's County Building Code

By the Geotechnical Inspector of Record

The following were found to be adequate and in compliance with the County-approved plans and accepted engineering practice(s):

- Compaction of soils
 - Soil bearing capacity
 - Foundation construction
 - Field modifications as approved by the County
-
